What is WE-LEAD?

Are you a student interested in participating in an exciting and interactive leadership experience? Then consider participating in WE-LEAD while at the Region 13 conference this year. WE-LEAD is an intensive leadership development track of the ACUI Region 13 Conference. The program is designed for undergraduate students to gain awareness about themselves, their community, and their peers. Students selected will participate with other students from institutions within Region 13.

WE-LEAD takes place throughout all three days of the conference, and does overlap with other conference educational sessions. WE-LEAD students will be free to attend all social events, meals and the keynote speaker. Selected students must commit to attend all WE-LEAD sessions, which build upon each other in order to help develop individual and group leadership skills.

Students will engage in variety of activities addressing the following topic areas:

- ***Diversity/Inclusive Language***
- ***Personal Privilege***
- ***Teambuilding/Networking***
- ***Leadership and Communication Styles***
- ***Values and Ethics***

There is a fee of \$20 per student participating in WE-LEAD. For more information about the WE-LEAD program or to apply visit the ACUI Region 13 webpage at <http://acui13.org>. Each student must apply by Friday, October 15 to Douglas.Sweet@colorado.edu and have written approval from their advisor.
